The following documents have been submitted for ethical approval

Change of title to: Genomics of Gall Bladder Carcinoma in Indian Patients

The Changes have been approved from ethical angle w.e.f 09.03.2018 subject to the following conditions:

- The approval is valid for the period of the conduct of study according to this protocol under the responsibility **Dr. G.K. Rath**, Principal Investigator.
- It is hereby confirmed that neither you nor any of the study team members have participated in the voting/decision making procedures of the committee.
- No significant changes to the research protocol should be made and implemented without prior consent of the IEC and any changes/deviations from the protocol which increase the risk for the subjects should be submitted to the IEC and approved by it prior to implementation.
- The study progress report should be made available to the IEC for review every 6 months.
- IEC should be informed about all SAE's occurring in the study as per DCGI guidelines. The Study progress report should be made available to the IEC for review every 6 months

With Warm regards

Yours sincerely,

(Dr. Sameer Bakhshi)
Member Secretary Ethics Committee
